Objective

To obtain a position within the field of Graphic Design, Multimedia Design or Instructional Design or a combination of any. With my experiences and expertise I will be able to fulfill any positions under the fields stated above.

Education

Masters of Arts in Media Arts and Computer Science (2012)
New Mexico Highlands University, Las Vegas 87701, USA

Bachelors of Science, School of Science, Multimedia Design/ Minor in Graphic Design (2009)

Associates Degree in Multimedia Design (2009)

Cameron University, Lawton, Oklahoma 73505, USA

Academic studies included project-based coursework that required development of a myriad of products. These products demonstrated my understanding of:

- Learning theories and Educational psychology
- Instructional design practices.
- Techniques for evaluating instructional/educational programs.
- Techniques for developing training/ instructional materials.
- Use of computers in education and training.

Associates Degree in General Studies (2003)

Cambridge International Examination: Advance Level Courses in Art and Biology.

T.A. Marryshow Community College, Tanteen, St.George's, Grenada, W.I. (2003).
